

Combined MS3G Session Friday, 14 March 2008

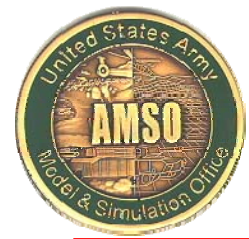

MAJ Glenn A. Hodges

Glenn.hodges@hqda.army.mil

703-604-0246

2008 Standards Priorities:

- Development of standards governance process (in conjunction with tool release)
- M&S Data Strategy
 - Identification of types, locations and uses of data being collected in theater
 - Develop process to store, validate and make data available to wider Army audience

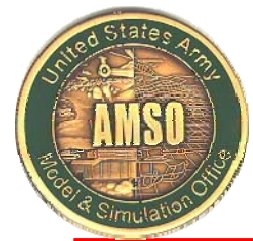

Combined MS3G Session

Friday, 14 March 2008

2008 Standards Issues:

- M&S Data Discovery for Strategy
- Unclear standards approval/vetting process
 - Revamping based on new DoD vetting tool.

Combined MS3G Session

Friday, 14 March 2008

2008 Top Goal/Action:

- Regain SA over Army standards
- Re initialize the Army's standards governance process
- Begin process to link community standards areas via the web.
